Tri-Colored Cat Toys!

Designed by Natalie

I designed this toy for my cat, Vinny. Not only is it cute, but your pet will love playing with it ☺ Enjoy!

Measurements: 2 inches (8cm) in diameter

Materials:

3 colors of yarn

Large crochet hook

Fiberfill

Optional: catnip

Design Notes:

This pattern is worked in the round. Be careful not to drop strands of yarn as you crochet. I used a 10 mm hook with size 4 worsted yarn.
